

All In Free Poker Hall of Fame

On Saturday night, November 7th, there were 80 players and guest invited to Gilbert's 17th Street Grill in Ft. Lauderdale for this inaugural All In Free Poker Hall of Fame event! Of those invited, some would be inducted into the first ever Hall of Fame Class.

11 players were selected based on a multitude of factors, including, but not limited to, length of play in the league, frequency of play, success in the league, and success in the finals. A 12th player was selected for all of his contributions to the league, specifically focusing on his charitable contributions to the American Cancer Society.

We had a great time and thank all of our great and loyal players for their support over the years and continuing into the future. Each year we will continue this tradition of the Hall of Fame, so play hard and try to get in.

Each of the following players are the inaugural class and are a bounty each time they play through the end of the next finals. If you knock them out of a nightly event, you'll receive a 3rd place finish in addition to what you earn in that tournament, as a bonus.

Here's your inaugural class:

Andy Weir	Bill Scott	Colleen Brangan
Elaine Hedleston	Greg Danver	Holly Wright
Joe Mazza	John Morrow	Rob Blum
Steven Patterson	Ted Mass	Toni Licastro

So congrats to all of our players for making this league so successful for over 4 ½ years and tens of thousands of tournaments, and especially to the first 12 into our hall of fame.
